

# FIRST STATION MEDIA

OFFICIAL SPONSOR AND BRAND AGENCY FOR THE 2019  
MILWAUKEE AIR & WATER SHOW

FOR IMMEDIATE RELEASE

**MILWAUKEE, WI** (June 11, 2019) – First Station Media, Official Sponsor and Branding Agency for the 2019 Milwaukee Air & Water Show, is thrilled to announce the addition of the Air Combat Command's full F-22 demo team to the Airshow's already tantalizing lineup.

With these impressive additions, the Milwaukee Air & Water Show (July 27<sup>th</sup> and 28<sup>th</sup>, 2019 at Milwaukee's picturesque lakefront), is forecasted to attract a larger audience than ever. To avoid the inevitable crowding in the general seating areas, official Airshow correspondence encourages those planning to attend the summer's most anticipated event to purchase reserved tickets, which are available at a variety of price points. The purchase of parking passes is also encouraged to help attendees avoid delays and long walks with their provisions for the day.

"Every year, our goals are to produce not only an incredible show for Milwaukee, but to provide the most comfortable and accessible experience for our valued audience," Paul Rogers, Founder and President of the Milwaukee Air & Water Show, said in a statement. "With this exciting addition, we want to be sure attendees know that we expect the event to be heavily-attended and give them the opportunity to truly optimize their 2019 experience."

The Milwaukee Air & Water Show still has for sale Flight-Line, Sky-Chalet, and Center-Point tickets, which include additional perks such as private restrooms, upgraded food and drink options, shaded seating areas, and superior views of the show. (NOTE: These amenities vary; please see the Airshow's website for full ticket descriptions and inclusions.)

Those interested in sponsoring the event are also in luck. "The addition of the Air Combat Command's full demo team is a huge coup for our sponsors," said Lena Levy, Owner & Creative Director of First Station Media as well as Sponsorship Manager for the Airshow. "Our audience keeps growing, creating unprecedented exposure and opportunity for the show's dedicated sponsors."

Those interested in reserving tickets for Milwaukee's favorite summer event can do so here: <https://mkeairwatershow.com/tickets>.

Parties interested in sponsorship opportunities, available at all levels, can contact Lena Levy at [lena@firststationmedia.com](mailto:lena@firststationmedia.com) or call (414) 807-0032.
