2020 MILWAUKEE AIR & WATER SHOW RETURNING JULY 25-26 WITH U.S. NAVY BLUE ANGELS

MILWAUKEE, December 3, 2019. . . . Organizers of the Milwaukee Air & Water Show today welcomed the U.S. Navy Demonstration Squadron - the Blue Angels - to Milwaukee to formally announce that this elite crew will headline the 2020 Milwaukee Air & Water Show. WaterStone Bank was also announced as the presenting sponsor for the event, which will take place July 25 and 26, 2020 along Milwaukee's lakefront.

"At WaterStone Bank, we strongly believe in giving back to the communities we serve. So, we are honored once again to partner with the Milwaukee Air & Water Show to bring this iconic event to our community," shared Doug Gordon, CEO/President of WaterStone Bank.

After a two-year hiatus, the U.S. Navy Blue Angels will bring their impressive array of demonstrations to Milwaukee. Founded in 1946, the Blue Angels showcase the pride and professionalism of the U.S. Navy and Marine Corps for the more than 500 million fans who have seen the team perform. 2020 also marks the Blue Angels' 34th year flying the Boeing F/A-18 Hornet.

"Every year, the Milwaukee Air & Water Show brings world-class military and civil acts to the city for a spectacular show. Because we are the largest free event in the state of Wisconsin, the support from our partners, including WaterStone Bank, is vital. We are incredibly grateful for their ongoing commitment to our community and are thrilled to see the Blue Angels back in action again next summer," said Paul Rogers, president of the Milwaukee Air & Water Show.
