RETREAT & EDUCATION PROGRAMS

It's so much more than a lesson — it's an enriching retreat of fun and learning that they'll remember the rest of their lives!

Thank you for your interest in our organization and our incredibly important purpose.

### Mission

In supporting the "Children of Fallen Heroes" we have found that our vision, purpose, and every minute detail is critical in the healing process for our children. Surviving and thriving the loss of their "Hero" mother or father is our "no-fail mission" and we walk with them and their families until that mission is complete.

Our programs are designed to create an escape from grief and expand the mind while having fun for children and surviving spouses of fallen First Responders and Military Heroes. Art, music, automotives, and more will be added to our list of programs that include:

- **Animal & Wildlife Rescue Classes**
- **Coastal Fishing**
- **Equine Retreats**
- **Golf Day Camp**
- **Indoor Skydiving**
- **Photography**
- **Weddings & Special Occasions and more.**

### Strengthening our Community

Children of Fallen Heroes, Parachute Team performs "Honoring Heroes" jumps for community events and fundraisers. Capturing the eyes of patriotic fans as they watch a large U.S. Flag in honor of the children and surviving spouses of fallen First Responders and Military Heroes.
